During August, residents enjoyed the seasonal fresh peaches. The pontoon was busy taking Grandfriends for rides around Sleepy Eye lake, and Summerfest was celebrated with a bright lime green mustang driven by Sr. Sharon while passengers Georgie, Jayna and Florence threw out candy to eager kids. Edmée pedaled the Trishaw while Ronda and Sr. Ann waved in style to parade watchers.

The weather has been perfect this month to go for strolls along the lake, and relax in the courtyard. The residents are getting plenty of sunshine, especially since the dining room and mall area has been closed down for the floor and HVAC work.

All About Aprons

Cindee Krzmarzick spent an afternoon entertaining residents about the history of aprons. She shared many different styles of aprons from her ancestors and explained their uses through the years and how they have evolved.

Fun Fact: Aprons were first worn by men for hygienic purposes. As women wore aprons, their uses were endless- hiding places for shy kids, potholder to remove pans from ovens, holders for picking up eggs and garden vegetables, wiping away children's tears, a quick duster for unexpected guests and the list goes on!
