## **February-The month of LOVE!**

*Human love! Agape love! Mother's love! Father's love! God's love!*

Visiting here with my sister and her husband, who next year will celebrate their 50th wedding anniversary, are for me such a beautiful example of that committed love of a lifetime filled with joy and happiness, not without challenges. Together they make it work!

Agape love is that love which goes out from one's self in care of others. It is Christian love that goes out to others and to assist them in their lives and needs. A good example of this is our dedicated staff members who assist our residents and tenants in whatever way they can.

Mother's love is something we've all seen, hopefully experienced and is exemplified in Mary, Jesus' mother! We think of the moment of the Presentation of the Lord in the temple when she is told what will happen in the future and how it will affect her! She is not deterred from her call to be the Mother of our Savior and all that will unfold in His and her lifetime.

Father's love is given to us as modeled by St. Joseph, worker, protector, provider, and guide! Especially chosen by God to become a "Holy Family".

God's love is an all encompassing love which includes and inspires all those loves! God is LOVE! "For God so loved the world that he gave us his only Son" that we might have eternal life with God in love everlasting!

The Lake Villa Tenants cheered on the Vikings wild card game to a victory. But as tradition shows, it was a painful game to watch and left MN fans upset yet again.
