Georgeen, Betty, Phyllis, and Mary Lou took advantage of the warm temperatures and soaked in the fresh air outside the Villa. Spring is coming!

Lynn Haala has been a lifetime supporter for St. Mary's School sporting activities. Kessler Severson is pictured with Lynn, one of his biggest supporters in basketball.

A favorite pastime for the tenants of Lake Villa is to gather around the table and play cards

A note from the Facilities Director- Sr. Sharon

SPRING

It looks like it's coming! Fish houses came off the lake and a sitting of snow geese have appeared there in their place. They are so beautifully white!

March brings us many events beginning almost immediately with Ash Wednesday on the 5th. That following Sunday begins Daylight Savings Time once again and the loss of that wonderful one hour of sleep.

On the heels of that comes two of our favorite and beloved Saints: St. Patrick and St. Joseph. Both of whom hold great prominence in both festivities and devotion. March 25th brings the Feast of the Annunciation that announces the future coming birth of Jesus. What a great month for preparations in our spiritual lives, to, once again re-focus our personal priorities. Lent is that moment, period for reflection, where we can put into place those changes needed for our "attitude adjustment."

It is also time again to begin thinking of our Annual Appeal! Our past years of this program has helped to assist us with upgrades in items for both the residents as well as the facility structure itself. Shortly you will be receiving this year's Appeal. Our gratitude in advance for whatever you may discern your giving abilities.
