*Enriching lives through Quality Services and Christian Care*

## A note from the Administrator- Jayna

We have a new logo! If you missed it, it is on the front cover of this newsletter. The process all started with a request from our Director of Nursing, Shelly, asking for coats for our staff to hand out in May to celebrate National Nursing Home Week. She had noticed some of her co-workers had old coats from other employers and thought what a great way to show appreciation to our staff and promote Divine if they wore coats from us.

Next, we started looking at what we wanted embroidered on the coats to represent Divine. Our traditional logo just did not express our home properly and it was decided our logo needed an update. With approval, our News & Views editor, Becky, started designing our new logo. At some point, we decided it was best to reach out to a professional designer to help us with the project, but in the end, it was our own creative co-workers that came up with the design. The professional put the logo together in the right format, but the chapel, lake, grass, sunset, and circle design all came from multiple co-workers. If you look closely at the chapel in the logo, the cross and three stained glass windows come from a picture of our chapel. We are located by beautiful Lake Sleepy Eye, which is depicted by the blue water, and the tall lake grass. The sun surrounding the chapel represents the magnificent sunsets over the lake that can be perfectly viewed out the windows of our home. The circle represents all the caregivers that are involved in providing a holistic approach to care addressing not only medical needs but also emotional, social, and spiritual aspects of life.

Even though our logo is new, our mission statement remains the same, Enriching lives through Quality services and Christian Care.

## Ash Wednesday

Fr. Larry celebrated Mass on Ash Wednesday in the Chapel. Fr. Larry is pictured distributing ashes to the tenants of Lake Villa Maria. In order to prepare everyone for Easter, Mass has been celebrated each day at 11:00 and the Stations of the Cross are at 4:30 on Fridays in the Chapel. Additionally, the Rosary is prayed before each Mass and also at 5:00 daily in the living room of Divine Providence.

Each morning the tenants of Lake Villa gather to have their morning coffee and catch up on the latest news!
